

ETA® International Gaming and Vending Certification

Gaming and Vending Technician (GVT)

The gaming and vending technician certification is intended for entry-level technicians with a sound background in electronics. Technicians will work in the field to troubleshoot, repair and calibrate gaming and vending type equipment. Money handling, basic electrical, circuitry, computer hardware and software, and safety are topics included in this certification. The GVT is a stand-alone certification and must be maintained every 4 years. **\$105**

The Gaming industry is one of the fastest growing industries in the service sector. According to the United States Bureau of Labor Statistics, over the next seven years the employment growth rate is expected to be 7-13% for coin, vending, and amusement machine servicers and repairers.
