PRESS RELEASE

FCC Implements New \$35 Filing Fee

Greencastle, April 19, 2022: The FCC has implemented a \$35 filing fee for new commercial radio operator license applications (MROP, GROL, GMDSS, etc.). ETA promptly files license applications on behalf of individuals who complete FCC exam elements. Applicants will now receive an email from the official FCC email address instructing them to log into their CORES account to pay the fee and finalize their pending application.

- LOG IN TO YOUR FCC ACCOUNT (CORES): <https://apps.fcc.gov/core/userLogin.do>
- FCC LICENSING CUSTOMER SUPPORT: <https://www.fcc.gov/available-support-services>
- FCC FILING FEE GUIDE: <https://www.fcc.gov/wireless/systems-utilities/universal-licensing-system/wireless-fees/personal-service-and-amateur>

As one of only 12 COLEMs in the nation, ETA offers all of the FCC commercial radio license exams. You can take any of these tests from our many ETA-approved test sites. You may also take any of these tests online through ETA's Trapeza online testing site (a Certification Administrator will still be required to proctor the exam). The Montgomery GI Bill also covers FCC exams for reimbursement for qualified military personnel. Commercial FCC licenses are lifetime and do not require maintenance/recertification.

About ETA - Founded in 1978 by electronics technicians, ETA® International is a not-for-profit 501(c)(6) association whose mission is to represent and support the technical professional. ETA offers over 90 accredited, vendor-neutral certification programs in a variety of technology fields such as fiber optics, communications, electronics, biomedical, smart home, and renewable energy.

ETA aligns with the ISO 17024 standard, vocational and education curriculums, and businesses' resource initiatives through certification programs, conferences, and publications. Download ETA's Certification Booklet to see how ETA can help your career, business, or school. www.etai.org
